

FUTURE HEALTH BEST

Practices for Advancing Care

Friday, March 22, 2024 Virtual and In-Person
Register Today: FutureHealthBest.org

Our 2024 conference will focus on the nexus of climate change and its growing impact, AI and new technologies to diagnose and treat patients, and the evolving and expanding role of physicians in this rapidly changing health landscape.

KEYNOTE SPEAKER

Maia Hightower, MD, MBA, MPH
CEO, Equality AI

Why attend?

Be inspired by physician leaders and visionaries addressing the future of care and deepen your connections with like-minded colleagues.

Advance your expertise with three professional sessions:

- **SESSION 1: The Impact of Climate Change on Our Patients and Health Systems***
- **SESSION 2: The 2030 Physician: Our Role in Health Care, Systems, and Society***
- **SESSION 3: AI in Medicine: Future of Diagnosis**

BONUS:

- Visit our Product Theater showcasing new technologies
- Preview the 15th MMS Research Poster Symposium
- Attend our Lunch and Learn Workshop: Alternative Paths in Medicine
